

Paper
& Petals

Hello!

I'm Emma and I'd love to be picked to be part of your wedding planning team!

I'm pleased to introduce to you my wedding stationery and flower business, Paper & Petals. I am hugely passionate about what I do, take great pride in my work and *bloody* love a wedding!

Our stationery is design led, printed on some of the finest cardstocks and finished with pretty details. As for our flowers, you could describe them as laid back, textural and for the free at heart.

We know wedding planning can sometimes feel overwhelming, but making plans for your stationery and flowers really brings your day to life and allows for your personalities to shine through. So we're here with our ideas and experience to guide you through, making the experience easy and enjoyable.

If we can be of any assistance to your wedding plans, we'd love to hear from you.

Emma

Q&A

Q. What types of stationery do you offer?

A. Bespoke, modern and design led wedding stationery. We provide save the dates, invitations, table plans, table names, place cards, menus, order of service and signage

Q. When do you arrange and send stationery?

A. Save the dates are usually sent 12 - 18 months before, invitations 3-4 months and on the day stationery 1 month before. Most couples speak to me around 9-12 months in advance of their wedding.

Q. What type of flowers do you offer and are they real?

A. Natural, textural and laid back real wedding flowers. We provide bouquets, buttonholes, corsages, table centrepieces, archway flowers, thank you bouquets, cake flowers and more.

Q. When do we need to book flowers?

A. There really is no time as "too soon" especially if your wedding is in or around summer. We only require a £50 deposit to secure your date and we can finalise the details when you have a better idea of your requirements.

Q. Can we only book you if we need both stationery and flowers?

A. No, you can book us for separate services or both, no pressure!

Q. When do we need to book in for Bouquet Preservation?

A. While it is something after the wedding, we need to get the bouquet from you in the days immediately following the wedding to ensure it's in as best a condition possible to preserve. There is no time as too soon to book and secure your date!
